

THE PLAYERS' SCHEDULE

IT MAY CAUSE A LIVELY ARGUMENT AT TO-DAY'S MEETING.

Some Western Clubs Want to Do Away With... The Players' League Secretary, Frank Brunel, Albert Johnson of the Cleveland Club and Umpire Ross Barnes arrived in the city early last evening and registered at the St. James.

Secretary Brunel said he thought that there would be a full representation at the meeting of the League which convenes at noon to-day at the Fifth Avenue Hotel. The League's official is rather inclined to the belief that there will be no material changes in the present schedule, although nothing positive will be known in the matter until it is fully discussed by the members.

THE LAST BATTLE REQUIRED.

Pateron's Birds of Irish Strain Win a Match from New Brunswick.

It isn't often that the final battle is required to decide a cocking main, but it was necessary yesterday morning when the flock of Pateron's birds and New Brunswick's were together in a cocking main.
